

TOGETHER AGAIN

"Alone, we can do so little; together we can do so much."

-Helen Keller

GRATEFUL

We are so grateful to finally have our doors open and welcome back in-person programming! Nothing sounds sweeter than songs bellowing down the hall or as merry as the laughter around the lunch table or bursting out of the art room. Your gift brings these moments to life!

People living with memory impairment and their caregivers experience feelings of isolation and loneliness, compounded by physical distancing and transportation issues. Now that we are able to come together, it is more important than ever that families and caregivers have access to MV Center for Living and the community connections we offer.

We are thrilled to be leasing a van from Vineyard Transit Authority to help families with limited transportation options join us at the Center. This fall, we visited MV Museum, Polly Hill Arboretum, and have more trips planned.

WITH YOUR HELP, WE CAN DO EVEN MORE!

Please consider a gift or monthly sustaining donation to fund transportation and support services for families and caregivers.

SUPPORTING CAREGIVERS

"Caregiving often calls us to lean into love we didn't know possible" - Tie Walker

-Caregiver counseling - Help navigating the system of public and private care for the best plan to meet your family's needs.

-Caregiver Support Groups - A safe space for caregivers to come together to find encouragement, comfort, and advice from others who share similar experiences and concerns.

-New Habilitation Therapy (HT) - HT is non-medical intrapersonal approach to caring for someone with memory loss. A skilled Dementia Coach focuses on a person's capabilities and works with caregivers to simplify daily tasks to maintain independence and a sense of purpose for those for whom they are caring.

Thank you!
